t is the Time magazine and Walter Winchell of the field. It misses nothing, tells every-hing, keeps you abreast and in the swim, and I wouldn't be without it - And I won't be or I have put the money down for a lifetime doubt that this field would have the corence and sense of community it does hout the steady, informed presence of **Gregory Benford**

ere is no way for anyone fascinated by incefiction to get out of reading LOCUS

LOCUS is the science fiction newsletter to one who is interested in the field should e without it." Ben Bova

LOCUS is where I look first for shop talk - it s the real trade paper of science fiction. There have been times when I first heard ough LOCUS (not my agent) that a new book of mine is on the stands.

Marion Zimmer Bradley

Without a doubt, the single most valuable periodical within the SF community; a labor of devotion, a bulletin board, a moni

LOCUS is the only periodical that I read er to cover - including adverts!"

Arthur C. Clarke

LOCUS has always been the thing you needed if you wanted to know what was going on in science fiction." Hai Clement

*Anyone who who wants to know happened in modern SF over the over the last decades must turn to LOCUS however critically to find out." Samuel R. Delany

"LOCUS is the one indispensable source of information for every reader and writer of science fiction. That's why I have a lifetime Lester del Rev subscription.

"LOCUS" has been the market-report source back-fence gossip, obiturary and accolade register of the science fiction world. It is the alphic yenta of SF-dom, and an awasome stament to the high reportorial skills of harlie Brown. It is a limitless source of Charlie Brown. what's-going-on for everyone in the genre. Harlan Filison

For most of my professional life, I've lived in small towns. LOCUS's monthly news kept me in close contact with our rapidly evolving field: made me feel like less of an out-Joe Haldeman

"Without LOCUS" we would be groping around in the dark. But LOCUS is there, shining light into all the dark corners.

"I OCUS has been a pioneering publication and a consistantly high performer. This little magazine sets the standards for accuracy and scope in it's reporting of news in the science fiction and fantasy publishing fields, and for level-headed interpretation of that news, I read it regularly." Fritz Leiber

'As one who is notorious for his dislike of the social aspects of the SF world. I can say

which retains a clear-sighted and impar perspective on it. It's the only SF journal that see regularly or would w Michael Moorcock

be aware of LOCUS."

hul-23

mine for nearly twenty years, so anything might say is suspect - but LOCUS is the tion today.

"LOCUS is indispensable Robert Silverberg

"I think it's the most pertinent magazine get, and I'm very grateful that I Peter Straub

The Wall Street Journal

"It's somewhat more than twenty years since I first found a friend in Charles Brown, back before he became Charles N. Brown, publisher of LOCUS and keeper of our records and our memories and our dreams. The soul of science fiction? Maybe not quite We might exist without him, but life would never be the same." Jack Williamson

LOCUS is the world's most important publication about science fiction.

Roger Zelazny
